This year's summer series will cover six dates. Prize awards will be based on the contestant's best 5 times per event. Contestants may sign up for an event any time prior to the beginning of the first age group of that event. For example, all ages of pole benders need to be entered before the first sub-junior pole run begins. Once the first age group for the particular event begins, entries are closed for that event. The order of events will be Sub-Jr. Straights, Tie-down Roping, Breakaway Roping, Team Roping, Poles, Goat Tying, and Cloverleaf Barrels.
